

Inox PPC 23.8 Inch Wide FHD PCAP J6412 8GB 256GB P/N: PCP11

Constantly evolving, our Touch Panel PC lines are designed to promptly respond to various industrial needs with expandable, versatile products with an increasingly accurate and compact design.

This product line is made entirely of stainless steel and is able to resist corrosive materials, dust and even direct exposure to liquids as the structure is protected on all sides, including the I/O and power supply part.
